

## On The Move

New College  
9 Lung Wah Street, Kennedy Town  
Hong Kong  
(852) 4156 - 7890

# Technical Specification

### Dimensions

12cm x 12cm x 3cm

### Main Controller

Arduino WEMOS D1 (with integrated Wi-Fi module)

### Hardware components

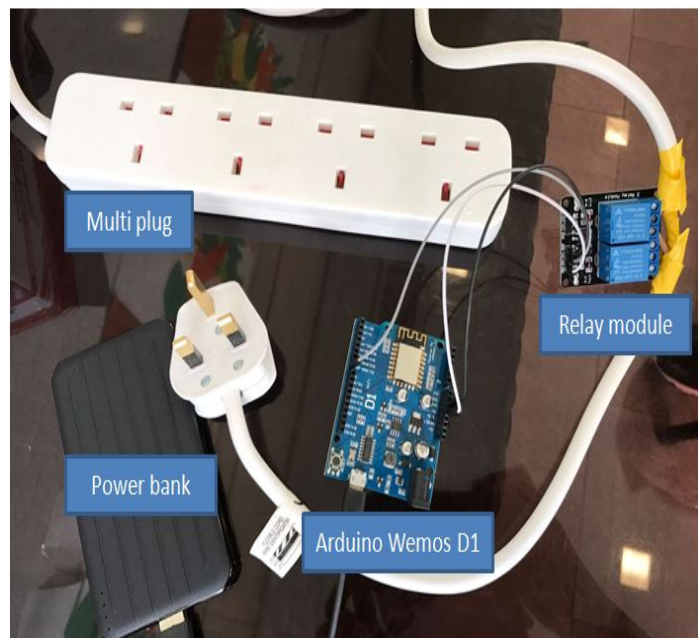

Smartphone (Android or iOS)

Standard multi plug socket

5V-220V Relay module

6800mAh Power bank & USB cable

Jumper wires & insulation tape

### **Working Voltage**

220V 50Hz

### **Working Environment**

Temperature : 0C to 40C Humidity: 5% to 95%
